## THE OLD HOME TOWN

*Traditional*

Tonight my heart is lonely for the folks back home  
Where I left my mother and daddy all alone  
I've seen a lot of changes there since I been around  
I'd like to wander back to the old home town

Ref. You'll never miss the home folks until you've gone away  
And then you'll need a friend to help you every day  
And then you call on mother and she won't be around  
I'd like to wander back to the old home town

I've searched this whole world over since I've been around  
I've never found a place just like the old home town  
If I could live life over I'd never roam around  
I'd like to wander back to the old home town

Ref. You'll never miss the home folks until you've gone away  
And then you'll need a friend to help you every day  
And then you call on mother and she won't be around  
I'd like to wander back to the old home town
